Entrepreneurship Development Cell (EDC)

In DBIT, **Entrepreneurship Development Cell** was established on **2nd Feb 2018** with a vision to bridge the gap between Industry and Academia and has a **MoU** with **Entrepreneurship Development Institute of India (EDII), Ahmadabad** and **Entrepreneurship Research Skill Council (ERSC)** on 26th June 2022.

EDC is professionally accomplished by a perfect blend of faculty and student. The coordinators are delegated with responsibilities for the smooth conduction of awareness programs, events and activities. Decimate disseminating to the students in the campus. The prominence advisory board of EDC comprises of renowned well-established entrepreneurs from various geographical regions whose idea and expertise can be Inspired. The EDC is there to offer appreciable recommendation on all aspects of entrepreneurship.

We have conducted more than **35 student/faculty** awareness programs such as EAC, FDP, EDC, IEDC and got up **3.5L** to **fund** under **EDII**. The Don Bosco Institute of Technology started **Centralized Technological Business Incubation (TBI) Centre** in Association with **Karnataka Council for Technological Upgradation (KCTU), GoK** with a funding amount of **Rs.1.98Cr. and 1.07 Cr. for research lab, and the same infrastructure is utilized by nearby MSME industries and start-ups.** These labs are broad-based and not confined to a single area/discipline. Student groups (multidisciplinary) work on various engineering projects in these labs - concept to designing the prototype. we have signed an MOU Agreement with 10 Incubates in different upcoming technologies to make their innovative ideas into the real time prototype model.
