Events and Activity Details

Academic Year: 2023-24

NAME OF THE EVENT: Visit to IISc	
Organized by: IISC Bangalore	Date:24 November 2023
Resource Person Name:	For Students/Faculty: Students
No. of Participants:	35
	
Event Description: A visit to IISc by DBIT students offered an enriching experience, exploring cutting-edge research and innovation. The students were inspired by the advanced facilities and interactions with leading scientists. It was a journey into the future of science and technology, opening new horizons. The visit left a lasting impression, motivating young minds to aspire for excellence.	

Academic Year: 2023-24

NAME OF THE EVENT: Seminar on Computer Organization	
Organized by: DBIT	Date: 17th Feb 2023
Resource Person Name:	For Students/Faculty: Students
No. of Participants:	
<div></div>	<div></div>
Event Description: "A seminar on Computer Organization provided students with a deep dive into the architecture and functioning of modern computers. Key topics such as memory hierarchy, instruction cycles, and processor design were explored. The session enhanced understanding of how hardware and software interact to perform complex tasks efficiently."	

Academic Year: 2023-24

NAME OF THE EVENT: Talk on “Unveiling The power of Machine Learning”

Organized by: DBIT

Date: 23rd Feb 2023

Resource Person Name:

For Students/Faculty: Both

No. of Participants:

Event Description: "A talk on 'Unveiling the Power of Machine Learning' highlighted the transformative impact of ML in various industries. Participants learned about key algorithms, model training, and real-world applications such as image recognition and predictive analytics. The session inspired curiosity about how data-driven models are shaping the future of technology."

Academic Year: 2023-24

NAME OF THE EVENT: Poster presentation on “Graph Theory and its Applications”

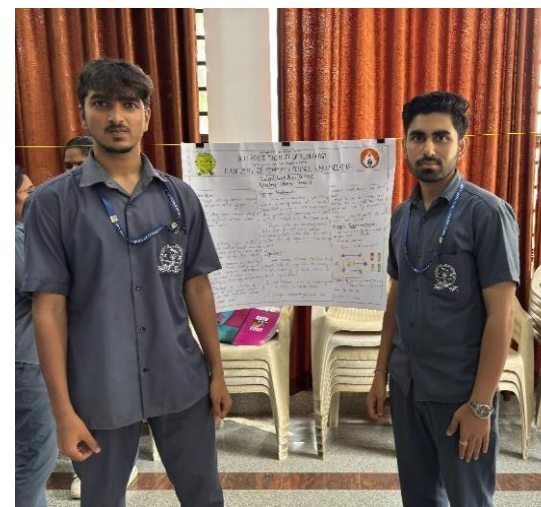

Organized by:

Date: 2nd July 2023

Resource Person Name:

For Students/Faculty: Students

No. of Participants:

Event Description: "A poster presentation on 'Graph Theory and its Applications' showcased the fundamental concepts of graph structures and their real-world relevance. It highlighted practical uses in networking, social media analysis, and optimization problems. The presentation emphasized how graph theory is pivotal in solving complex problems across various fields."

Academic Year: 2023-24

NAME OF THE EVENT: International Seminar on “WSN for Radar Sensing in Assisted Living-An Overview”

Organized by:

Date: 18th March 2023

Resource Person Name:

For Students/Faculty: Faculty

No. of Participants:

Event Description: "An international seminar on 'WSN for Radar Sensing in Assisted Living – An Overview' explored the integration of Wireless Sensor Networks (WSN) and radar technology to enhance assisted living environments. Key topics included real-time monitoring, fall detection, and health tracking for elderly care. The seminar highlighted cutting-edge innovations that improve the quality of life through smart sensing solutions."

Academic Year: 2023-24

NAME OF THE EVENT: Final year Project Exhibition

Organized by: DBIT

Date: 25th April 2023

Resource Person Name:

For Students/Faculty: Students

No. of Participants:

Event Description: "The Final Year Project Exhibition by DBIT students showcased innovative solutions across various fields of engineering and technology. Projects ranged from AI-driven applications to hardware prototypes, demonstrating creativity and technical expertise. The exhibition was a testament to the students' hard work and their readiness to tackle real-world challenges."

Academic Year: 2023-24

NAME OF THE EVENT: Project Exhibition and Poster Presentation by AI and C&P students

Organized by: DBIT

Date: 8th Nov 2023

Resource Person Name:

For Students/Faculty: Students

No. of Participants:

Event Description:

Academic Year: 2022-23

NAME OF THE EVENT: Bug Bounty Challenge	
Organized by: DBIT	Date: 4th July 2022
Resource Person Name:	For Students/Faculty: Students and faculty
No. of Participants:	
<div style="display: flex; justify-content: space-around; align-items: center;">   </div>	
<p>Event Description: On 4th July 2022 an ‘Bug Bounty Challenge’ was organized by sevenchats application which was about finding the errors in a new application called sevenchats who also organized a bug hunting challenge in their new application and to improve it and gift vouchers were also given for those who won the challenge.</p>	

NAME OF THE EVENT: Independence Day (Azadi ka Amrit Mahotsav)	
Organized by: DBIT	Date: 13th - 15th Aug 2022
Resource Person Name:	For Students/Faculty:
No. of Participants:	
	
Event Description: 13 th -15 th August 2022 we celebrated Independence Day (Azadi ka Amrit Mahotsav) with 'Har Ghar Tiranga' by hoisting our Indian flag for 3 days in college with the help of the students and faculties in college.	

NAME OF THE EVENT: World Alzheimer's day	
Organized by: DBIT	Date: 21st september 2022
Resource Person Name:	For Students/Faculty: Students
No. of Participants:	
	

Event Description: World Alzheimer's day was celebrated in our college on 21st September 2022 which is basically to create an awareness about neurological disorders, Alzheimer's is among most prevalent forms of dementia (a set of disorders disrupting mental health), Alzheimer's day is an opportunity for us to raise our voices and find new ways of fighting the diseases.
